Caro's monumental 'The Years of Lyndon Johnson' displays all the narrative energy & illuminating insight that led the Times of London to acclaim it as "one of the truly great political biographies of the modern age. A masterpiece." 'The Passage of Power' follows Lyndon Johnson through both the most frustrating & the most triumphant periods of his career: 1958 to 1964, a time that saw him trade the extraordinary power he had created for himself as Senate Majority Leader for the wretched powerlessness of a Vice President in an administration that disdained & distrusted him, & the time in which the presidency would be thrust upon him by an assassin's bullet. Caro gives us an unparalleled...
