Createspace Independent Pub, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. Seven middle school kids, living in Surfside, CA, are best skateboard buddies. When the oldest of the gang, Justice, gets permission to take the bus down to the city, the whole posse decides to join him. Theyre supposed to be just skating around their high school then studying for finals, but if theyre back in time, no one will know. It is a sweet trip full of laughs and tricks until Justice crashes on a 9-stair, crushing his shin and dislocating an arm. The boys are NOT supposed to be 25 miles from home, so they try to smuggle the bleeding buddy back on to the public bus and up to Surfside Urgent Care. But when the bus driver dials 911, their secret is blown. They are almost grounded from 8th Grade Promotion and all the celebrations marking the end of middle school. The whole town sobers up when Justice goes missing on the eve of exams. The sheriff and counselors come to his home room and lay a rose on his desk; the kids are sure this is one of those "Every 15 Minutes" exercises to scare them all into drink-free driving and a sober prom. But wait: they arent even in High School yet! They dont have Prom. This must be serious and it is. Justices car has been found flipped into the surf at Matador Beach and burned; only his crutch and cast were recovered. The kids band, Heart Attack, was slated to perform at promotion. Instead, they play Justices wake, then organize a paddle out to send his skateboard off to sea. Summers somber start does have one great light on the horizon, however: PEAK Skate Camp in Visalia. Two...
